in a small, quiet forest.
there was a
very beautiful, pure white
swan.
But this swan wasn't the average swan!

THIS SWAN WAS RUDE, GRUMPY,
SELFISH, HYPOCRITE, AND BASICALLY PICKY.
...
YOU JUST INSULTED ME.
KYA!
SFX-THUMP
I'M NOT AS IDIOTIC AS THE WITCH HERE
HOW.. DID HE KNOW I WAS HERE?
OHOHO! DEAR PRINCE. DON'T MAKE SUCH FALSE ACCUSATIONS.
CALM DOWN, IT'S NOT THE FIRST TIME HE'S DONE THIS

I really want to stay close By your side

K, FINE. IF YOU NEED ME I'LL BE AT THE ANTUA KINGDOM'S BALL.

I can't, I may be caught
HE'S GONE

I WONDER IF SHE AND JE RYU WILL FALL IN LOVE?
meaning, he may learn my true identity

My eldest sister Juri ★ Rozen got married to the king of Keigan and is now a queen

UNNI, I'M HUNGRY.

YEAH, THE KING'S PREPARED A GREAT MEAL FOR YOU!

OH YEAH!

but Lourl you ARE a princess arry and be more ladylike

So our Rojenti Kingdom and Keigan Kingdom is like family, but
Jian Kingdom and Keigan is in fighting mode because Jeryu's older sister Princess Jedi has rejected the Prince of Keigan
UNNI.
So, my parents didn't like for me to meet up with Jeryu
WHAT'S WRONG, LOURI?
IT'S KEIGAN THAT'S FIGHTING WITH JIAN, NOT US. SO WHY CAN'T WE BE FRIENDS WITH JIAN?

LOURI.
DO YOU LIKE PRINCE JERYU THAT MUCH?
UNNI, THAT'S NOT A VERY NICE THING TO SAY!
SERIOUSLY!
LOURI, GOVERNING AND ALLYSHIP IS A VERY COMPLICATED DEAL.
IF I MARRY JERYU, THEN KEIGAN, JIAN, AND ROGENITY ARE ALL FAMILY.
THEY'D BETTER BE READY FOR IT!
ALLYSHIP IS SOMETHING THAT CAN CRACK BY. JUTS ONE OR TWO PEOPLES' MISTAKES. EVEN A LITTLE HELP TO AN ENEMY...
... YOU MUST TAKE PRIDE IN BEING A SIMPLETON.

Hello~ this is karavelyn here! if you don't know who the heck i am, i translated/typeset/proofread/qced this project =-= so ye-ah. Anyway, I'd normally have not put the previous two pages in. However, there were two problems.

1. I kind of forgot to translate the sfx for "golden ball" on the swan prince first chapter. x(
2. I kind of realized that most people reading this would not be Korean or speak korean.

So yeah. Well, I hope you enjoyed the English version of Swan Prince! And I hope nobody had issues with my translations or editing. I know all of you had issues with my speed, but too bad =-= I have a life. So, uhrm, did I mention we're recruiting! If you want to read Frog Prince soon (unless it's done by another group, in which case my point is dead)-- and with fast releases-- well, join us. We have cookies. No we don't. We're recruiting translators and editors. Sorry. Now, I'm finally going to shut up. Amazing, right?
